

A kestrel is shown in flight, its wings spread wide, against a background of a blue-to-purple gradient. The image is overlaid with various technical graphics, including circles, lines, and numbers, giving it a futuristic or digital feel. The text is centered in a dark rectangular box.

WELCOME TO KESTREL CLASS

YEAR 6

TEACHING STAFF

The children in Kestrel Class will be taught by Mrs Olley

The children are supported in an afternoon by Mrs Maycock and Mrs Pattinson

We are very excited for the year ahead and look forward to working and supporting the children in their learning to make excellent progress during their time in Kestrel class.

CURRICULUM COVERAGE

- Children are taught Mathematics through a Mastery approach to learning following the National Curriculum.
- Children are taught English following the National Curriculum. Within English lessons children cover a wide range of genres and will be taught grammar, spelling and reading skills throughout the lessons.
- Children have weekly lessons on Science, Computing, French, Music, History, Geography, Art/Design Technology, Religious Education and PSHE, enriching the curriculum and their learning.
- The children have PE sessions on a Monday afternoon. Please ensure they bring in full P.E. kit in.
- Year 4, 5 and 6 go swimming on a Friday morning- please ensure swimming kit is fully named.

HOMework

Homework is given out every Friday and needs to be in school by the following Friday. Children will be given a piece of English and Maths homework that is linked to their learning.

The children will be given a spelling list weekly alongside a piece of spelling homework- they can also access spelling shed where weekly quizzes are shared.

They will bring a reading book home. The expectation is to read at least 3 times a week in order to develop fluency and comprehension skills.

Reading record books should be initialed or signed by an adult each time they practise reading at school or at home. This is another helpful tool for regular communication.

SCHOOL WEBSITE

- This will be updated with news and key information linked to the children's learning.
